THREE BOYS

Hailing From Covington, Ky. Taken From a Freight Train in This City About Noon Yesterday.

Yesterday about 12:30 o'clock Special Agent Thomas Stewart took from Extra 916 on the C. & O. Railway, three boys who, said they had come from Silver Grove on the train.

About noon Mr. Stewart received a message from Dover that the agent at that place had seen the boys and requested Mr. Stewart to get them as the train passed through this city. Mr. Stewart caught the train as it was passing the depot and asked the brakeman in the baggage to stop the train in order that he might take the boys into custody. This was done and Mr. Stewart captured the boys. They gave their names as Linal Gregory, 10 years old, Louis Sanders, 12 years, Lorraine Bobbitt, 10 years, all coming from Covington.

The boys told a story that they had gone from their homes in Covington to Silver Grove on one of the commuter trains expecting to get a return train to their home in time to go to school. They said that while they were in Silver Grove the freight train stopped

near the place where they were and a man in one of the gondolas asked them to get in the car. They complied with his request and after getting in the car the train started to move. They said that the man then told them that if they attempted to get out he would throw them under the train and that they were afraid to get off. When found by Mr. Stewart they were suffering greatly from the cold and were all crying.

The lads were taken to Police headquarters and were later returned to their homes, being sent to Covington on fast train No. 3. They seemed to be rather bright lads, but were terribly dirty from their long ride.

GRIM REAPER

Takes Mr. George W. Chambers From His Home on East Second Street Yesterday After a Short Illness With Pneumonia.

Mr. George W. Chambers died at his home on East Second street yesterday morning at 11:20 o'clock after a short illness. Mr. Chambers was taken sick last week, the sickness developing into pneumonia in a short time Monday morning. After a restless night he seemed to rally until about 10 o'clock, after which he sank rapidly and the end came at the hour named.

Mr. George Washington Chambers was born in the city of Mayville on February 17, 1843. He spent almost his entire life in this city. In 1861 he enlisted in the 16 Kentucky Infantry in Co. C under Captain Miller. He served throughout the war, but for nine months was a prisoner in Andersonville prison, where he suffered great privations. Following the war he returned to this city where he engaged in his trade as a pattern maker. Later he became a lock and gun smith. In 1884 he removed to Covington, Ky. where he spent ten years as a mechanic. After his return to this city he engaged in the lock and gunsmith trade, which he continued until his death. His shop on Second street below Sutton was a very familiar place to those desiring any fine repair work done and he enjoyed a very large business.

He was married on October 7, 1868, to Miss Margaret McClain, who survives him. To them seven children were born, two of which died in infancy and one after passing his 25 year. Four children survive, three sons, Charles H. and George W. Chambers of Cincinnati, and Harvey William of this city and one daughter, Mrs. Harry Crawford of this city. He also leaves one sister, Mrs. Mary Elizabeth Ellis of New York City.

Mr. Chambers was the commander of the Joseph Heiser Post G. A. R. in this city which disbanded on November 6. He was the first of the twelve remaining members to answer the call of the death angel. He was a member of the Christian Church and was a regular attendant. He was known all over the city for his kind nature and had a host of friends, all of whom are greatly grieved to hear of his death. His many years of usefulness will not soon be forgotten by the many who regarded themselves as his friends and all feel sure that his reward will be a crown of life.

The funeral will be held from the Christian Church on Wednesday afternoon at 2 o'clock. Rev. A. F. Stahl conducting the services. The burial will be made in the Mayville Cemetery.

NEGRO STEALS MONEY

Mr. W. A. Tolle, the East End grocer, was the victim of a rather well planned trick yesterday. Albert Foster, a 20 year old negro, that has been working for him, taking about \$12 of Mr. Tolle's money. The boy had been around taking orders from Mr. Tolle's various customers and upon his return told the gentleman that two ladies had told him that they would pay for groceries if he would bring back change for five and ten dollar bills. Mr. Tolle gave the boy the change and the boy left the store and after not returning for several hours Mr. Tolle began to investigate. The wagon was found abandoned on Sutton street. The authorities were immediately notified and they got into communication with officials at Silver Grove, Ky., asking them to be on the lookout for the boy.

FINE SON

Born, to Mr. and Mrs. Goldsby Farrar of Fifth street a fine son on Saturday at 2 o'clock. The youngster weighed 7½ pounds at his birth and has been named John Keith. Mrs. Farrar was formerly Miss Bessie Wallingford of this city.

The Savranoff Company, which comes to Mayville, December 14th, on the Lyceum course, came over from Russia just about the time the war began in Europe. Just to show how glad they are to be in concert work in America instead of fighting in European trenches, they have arranged to offer as one part of their program a song entitled, "I am Glad I am in the United States." Another novelty of their program will be Russian folk songs in the Russian language, their accomplishment being on the Russian instrument known as the balalaika.
